To Whom It May Concern:

The Score Group of Companies are fully supported by Tyco Valves & Controls (TVC) for the supply of Valves and Valve Solutions.

This support extends to full access to TVC's engineering and spares back up, along with service, support and training for the entire range of TVC'S products including amongst others: Keystone, Winn, Hindle, Anderson Greenwood Crosby, Raimondi & Fasani.

This special relationship is extended to provide customers with the very highest level of support by combining Score's valve expertise with TVC's long experience in the design and manufacture of high quality valves and controls.
